

Klahowya Secondary School Student Parking Contract

TERMS

- I understand there is no individual reserved student parking. Parking will be on a “First come-First served” basis to students who have authorized parking privileges.
- Failure to operate my vehicle in a safe and lawful manner on school grounds or use of a loud car stereo and/or car alarm that disrupts the educational process will subject me to disciplinary action and may result in a loss of my driving privileges.
- I must possess a valid driver’s license to park on campus.
- I must maintain and carry the minimum state-required auto insurance and proof of insurance at all times to park on campus.
- I understand that by operating a vehicle on campus, authorities have the right to search my vehicle based on CKSD School Board Policy 3230, “Student Privacy/Searches of Students and Their Property”.
- I must display my parking sticker on the lower passenger side of my rear window at all times while on campus and park in an approved student parking space. Failure to do so may result in a fine and/or my car being towed at my expense.
- I understand that student parking is not allowed in fire lanes, bus lanes, along roadways or in staff, visitor or handicapped parking spots. Parking in one of these areas may result in a fine and/or my car being towed at my expense.
- I must pay a \$10.00 fee for the replacement parking permit. If I am found parking with a stolen or lost permit, I will be subject to disciplinary action for theft.
