In order to participate in our sports program each student athlete must have a sports physical and complete the athletic clearance form. Both forms are available on our school website. Once teams are selected, two fees must be paid at the bookkeeper:

1. ASB card, \$30.
2. District Athletic Fee, \$50 per sport (for the first two sports played in a year).

Klahowya middle school teams compete in the West Sound Middle School League. The league is made up of the following schools:

Hawkins Middle School - 300 E. Campus Drive, Belfair
Kingston Middle School – 9000 NE West Kingston Road, Kingston
McMurray Middle School – 9329 SW Cemetery Road, Vashon Island
Mountain View Middle School - 2400 Perry Avenue, Bremerton
Poulsbo Middle School – 2003 NE Hostmark Street, Poulsbo
Woodward Middle School – 9125 NE Sportsman Club Road, Bainbridge Island

Girls soccer is an in-district program. All games are played at Silverdale Stadium against Central Kitsap Jr. High, Ridgetop Jr. High, and Fairview Jr. High.

We encourage all students to get involved in an athletic sport – experience not required! The non-cut sports for middle school are Football, Girls Soccer, Wrestling and Track.
