

**Klahowya Secondary School  
School Supplies List  
2007-2008**

Klahowya students do not have lockers so it is recommended that students carry their supplies and personal items in a backpack. A 3-ring binder with dividers, paper, pens, and pencils are necessary supplies.

**REQUIRED TEXTBOOK PURCHASE**

The English and Language departments requires that all 7<sup>th</sup> and 8<sup>th</sup> grade students purchase a *Daybook* for \$11.00. This book is used in English classes. The *Daybook* by WriteSource is a fantastic tool for teaching students to read critically, which is important in developing lifelong critical thinking and reading skills. The book is full of fresh literary pieces, both fiction and nonfiction, and usually includes some poetry as well. The purpose of purchasing the book is to allow students the ability to “mark up” what they read. There is plenty of space in each for making commentary and observations. Also, many teachers require students to look for specific items, such as figurative language and word choice, in order to analyze the writing. These books may be purchased at the bookkeepers office.

**REQUIRED STUDENT AGENDA PLANNER PURCHASE**

To assist all students in meeting the goal of academic success, we are requiring the use of a time management tool. The planner includes a calendar, daily assignment log, specific Klahowya student information, and other valuable resources. The important planner will be available to purchase at the bookkeepers office for only \$3.00. Planners purchased in August will be distributed in the gym on the first day of school. Students who stay on top of their daily assignments from the beginning are better assured of academic success.

**KLAHOWYA P.E. UNIFORMS**

The physical education department strongly recommends students to purchase a Klahowya P.E. uniform. Uniforms may be purchased from the bookkeepers office. Students must present the bookkeeper receipt to the physical education teacher to receive his/her uniform. The uniform consists of forest green shorts and a white T-shirt with a

Klahowya insignia. The price of the uniform is \$12.50 or shorts can be purchased for \$8.00 and the T-shirt is \$4.50. Students that wish to wear a sweatshirt or sweatpants are encouraged to wear school colors (either green, black or gray).

It has been determined that wearing school P.E. uniforms helps to prevent locker thefts, enhances classroom management, and promotes better hygiene. All P.E. Clothing should be clearly marked with the student name in the left front shoulder.

White cotton sweat socks and a pair of lace-up athletic shoes (with good arch support) is also recommended.

Locks and baskets will be issued the first day of the semester. Students will be fined \$5.00 for any lock not returned at the end of the semester.

### **CALCULATORS REQUIRED FOR MOST MATH CLASSES**

Students enrolled in Transitions, Algebra, Pre-Algebra, Concepts or Geometry, are required to have a scientific calculator (\$15.00 at most any store). Students enrolled in Algebra II or higher are required to have a graphing calculator (\$90.00) – Texas instrument 83+ or a newer model, TI 84. Former students may be willing to sell a second hand graphing calculator or they can be found for sale on E-bay. Klahowya has a few calculators to loan to families with financial difficulties.
