Re: Student Accident Insurance

Dear Parent/Guardian:

Central Kitsap School District does not provide medical insurance coverage for students. For many years, the District has distributed optional student insurance materials to families. The accompanying student accident/health insurance plans are designed to help you pay for treatment if your student is hurt. There are a number of options available, some of which cover illness as well as injury.

Please read the materials carefully. If you have any questions, please call the plan administrator, Myers-Stevens & Toohy & Co., Inc. at 1-800-827-4695.

Questions about coordination of this coverage with your family's medical insurance may be directed to Myers-Stevens or your medical insurer.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gregory J. Lynch'. The signature is fluid and cursive, with the first and last names being the most prominent.
